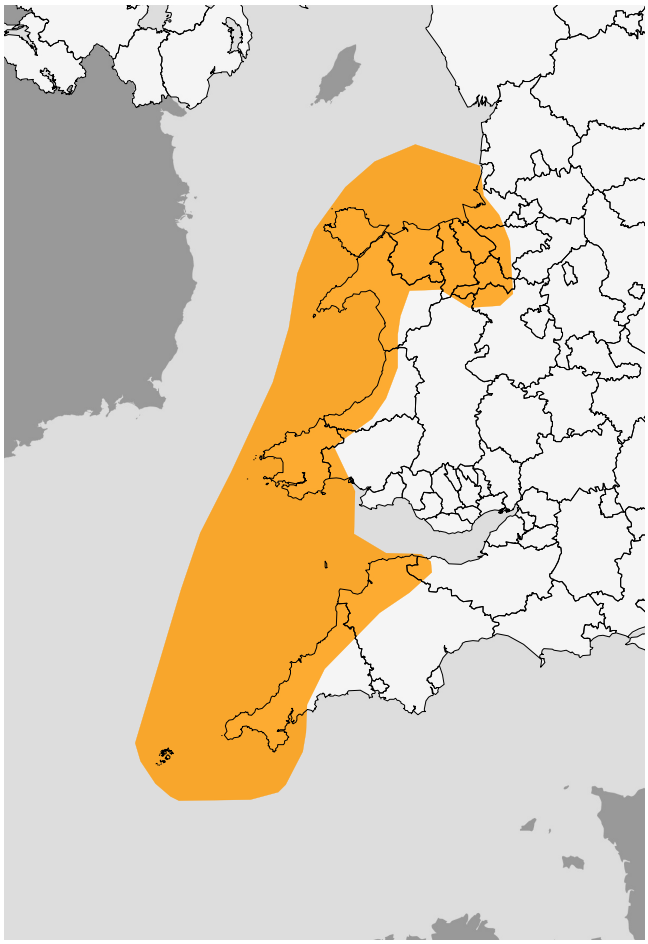
Amber warning
Wind

Between
00:00 Sat 27 Nov 2021 and
09:00 Sat 27 Nov 2021



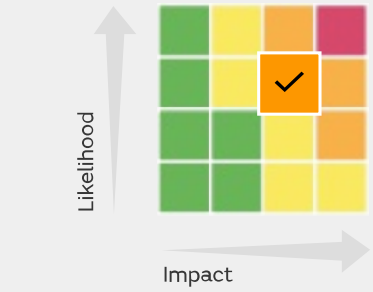
High winds associated with Storm Arwen are expected to cause some travel disruption and damage.

What to expect

- Flying debris is likely and could lead to Injuries or danger to life
- Probably damage to trees, temporary structures and buildings, such as tiles blown from roofs
- Longer journey times and cancellations likely, as road, rail, air and ferry services may be affected
- Some roads and bridges likely to close
- There is a good chance that power cuts may occur, with the potential to affect other services, such as mobile phone coverage
- Injuries and danger to life is likely from large waves and beach material being thrown onto coastal roads, sea fronts and properties

Further details

Storm Arwen will bring very strong northerly winds into coastal parts of Wales and parts of western England Friday night and into Saturday. The highest winds then become confined to southwest England by Saturday morning. Gusts of 60 to 70 mph are expected in coastal areas with gusts in excess of 70 mph in a few places.



Medium likelihood of medium impacts
